RE: Freedom of Information Act ("FOIA") Request

Dear Mr. Smith:

This Office is writing in regard to your FOIA request for the "full text of the last 10 public records requests" made to our Consumer Protection/Anti-Trust division "as well as the responses that your office made to those request[s], in their entirety." Pursuant to your request, the records of this Office were checked and attached are the records responsive to your request. There is an additional response from a company associated with the Automotive Parts FOIA that requires permission from the company before any potential dissemination pursuant to a settlement agreement. In an effort to avoid further delay in responding to your request, I am forwarding the attached responses without that document. If you would like for this Office to pursue permission to release this document and to agree to pay any associated FOIA costs, please let this Office know at your earliest convenience.

Sincerely,

Dona L. Guffey  
Assistant Attorney General
